

# CCTV

**February 2014**  
**To residents of Curnock Estate**

Dear resident

Further to concerns about anti-social behaviour in the communal areas of the Curnock estate the Council will soon be installing two temporary CCTV cameras. The cameras will monitor the two squares to the south of the estate. Any incidents that do take place can be reviewed within 28 days and used as evidence.

The effectiveness of these cameras will be assessed and reviewed in three months' time, when we will consider whether there is a need to keep them in this location. Operation of the camera will adhere to the CCTV Surveillance Code of Practice which means that only qualified operators will be able to monitor and record any incidents. Evidence will only be kept where it relates to crime and disorder.

If you wish to discuss this installation please contact the Community Safety service on 020 7974 4444 or by email to [communitysafety@camden.gov.uk](mailto:communitysafety@camden.gov.uk)

## **Reporting antisocial behaviour**

**If you do witness any crime or anti-social behaviour please report this as soon as possible. Information will be treated as confidential and can be provided anonymously.**
