Heating and Hot Water

Dear Residents

We are sorry to inform you that due to a failure within the boiler house there is currently no heating or hot water to the block.

We are currently on site working on the issue and aim to restore the service ASAP.

If you require a temporary heater, please call our office on 0207 4288820 (option 1.) Out of hours please call Camden Contact Call Centre on 0207974444.

Should you have any further queries regarding this essential repair, please contact the Camden Repairs Contact Centre on 020 7974 4444.

Thank you for your co-operation and apologies once again for any inconvenience.

Kindest Regards

Julian Campbell
