IMPORTANT INFORMATION ABOUT YOUR GAS SUPPLY

Dear Resident

Gas Supply Replacement 1-18 Darfield, 1-34 Goldthorpe, 1-18 Billingley & 1-66 Mexborough, Curnock Street Estate, London NW1 0LY

National Grid needs to replace the existing gas main within the car park area of the estate and install a new external /internal gas supplies within your property.

Where the gas supply is run on the outside of the building it will be painted black on the vertical runs and white on the horizontal pipe runs, The pipe in the Car Park areas will be painted black and colour banded as conveying gas.

The works will be commencing on site on Monday 31st January 2011, the works is provisionally planned to take ten weeks to complete.

Our normal working times will be Monday-Friday 08:30am – 5:00 pm, due to the urgency of the works, it may be necessary for our engineers to work on the weekends, the noise will be kept to a minimum level during this period.

We will be arranging a Resident Association meeting w/c 31 January 2011 with Camden and will keep you informed.

Your existing gas supply will need to be transferred to the new supply and your gas meter will be moved to an external meter box, if you live on the ground floor of the above four blocks. The gas meter will remain in the same position for the other Premises. There will be a short interruption to your supply over this period.

Continued

Work Phase of the Project

- Phase 1 – Replacement of Gas pipes to Underground car parks.**
- Phase 2 – Darfield House – Replacement of Gas Services.**
- Phase 3 – Goldthorpe – Replacement of Gas Services.**
- Phase 4 – Mexborough – Replacement of Gas Services.**
- Phase 5 – Billingley – Replacement of Gas Services.**

You will be given adequate notice prior to commencement of any work and we will discuss it with the Camden to obtain their approval. We will contact you when we are ready to install the new pipe work into your home.

Please be aware all our operatives carry Identification cards and will not be offended if you ask to see their ID. If in doubt, please call the number below.

If you smell gas, please call the National Gas Emergency line on 0800 111 999.

We apologise for any inconvenience this essential work may cause you. We will make every effort to complete the work as quickly as possible. If you have any queries, please call the **National Grid Customer Enquiries Team on 0845 246 1285.**

Yours sincerely
