Shutdown of Hot Water

Due to essential works that are required to a flat within your block, the heating and hot water will need to be shut down on:

Wednesday 14th October 2015 between 8am - 1pm

Our engineers will be carrying out the repair and will be on site during this shutdown.

Please keep the hot water taps in the closed position during this period to avoid airlocks once the water is reinstated.

If you require temporary heating during this period please call our office on 0207 428 8820 option 1 during office hours. Out of office hours please call Camden Contact Call Centre on 02079744444

Should you have any further queries regarding this essential repair please follow normal procedures and contact the Camden Repairs Contact Centre between 8am and 6pm Monday to Friday on 0207974 4444

Thank you for your co-operation.

Kindest Regards
